

# Who is Elevotec Inc?

“ We help to grow your Business by implementing effective and efficient HxGN EAM, Infor LN and BIRST Solutions ”

Elevotec Inc is a company founded in Canada providing Infor LN ERP (Enterprise Resource Planning), Hexagon EAM (Enterprise Asset Management), and Infor BIRST BI and Business Intelligence Solutions across North America. We combine our “Enable, Evolve and Elevate” approach with capabilities of analysis, vision, imagination, intelligence, experience, and industry specific knowledge in both Commercial and Public Sectors to provide business consulting, software consulting, custom solution development, End-to-End implementation, and training for our customers.

Elevotec Inc is a Hexagon (HxGN) and Infor Chanel Partner that has spent over 10 years working closely with Product Development, Product Sales, Product Support, and Infor Consulting Services to deliver sound solutions and value with quality implementations and solutions.

Our practice is made up of a team of dedicated individuals who have more than 50 years of combined experience and access to a network of over 25 subcontract consultants that continues to grow. We “Enable, Evolve and Elevate” to deliver value.

Our practice contains SME, Functional, Technical and Educational consultants who have broad experience in implementing these solutions across many business types both in commercial and public sectors with a deep customer portfolio that includes some well-known names in both the business and consumer realms.

## Minimum Service Size

We work hard to add value and build lasting relationships with all of our customers. No client is too small!

## Preferred Geographic Regions

We are in Canada, providing Infor and Hexagon Solutions across North America. We have successfully delivered +40 projects across North America.
